About Us

4xCRM is one of the leading technologies and service provider in the forex brokerage industry.

Why 4xCRM

4xCRM, a pioneering force in the financial landscape, stands out for its innovative solutions in the trading industry. From cutting-edge technology to user-friendly interfaces, integration with different platform providers, seamless integration, and access to the most popular PSPs on the market. We offer a multi-level IB feature that enables brokers to efficiently manage their IB network and track commissions.

What Is 4xCRM

In essence, a 4xcrm is a strategic tool that goes beyond traditional customer management systems, addressing the unique needs and challenges of the Forex trading environment. It contributes to the growth and sustainability of Forex brokerages by fostering better client relationships and enhancing operational efficiency.

Why 4xCRM

4xCRM is essential for optimizing operations, improving client relationships, and staying compliant in the fast-paced and regulated world of Forex trading. It's a strategic investment that contributes to the long-term success and growth of Forex brokerages.

4xCRM benefits

A 4xCRM is not just a tool it's a strategic asset that can help you grow your brokerage, retain clients, and adapt to the ever-evolving Forex landscape.

Redefined CRM

Our Services

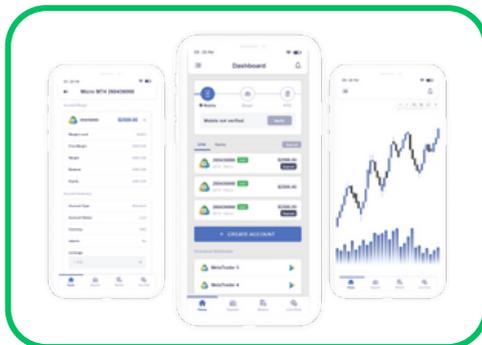

Forex Software Solutions

We offer a visually appealing client portal, an affiliate portal, and back office panels to enhance the CRM experience and ensure businesses are prepared for success in every area.

Forex DevOps Solutions

The extra benefit of the DevOps model is to minimize disruption and increase reliability. Performance is improved by APIs and DevOps-led connectivity.

4xCRM Mobile Apps

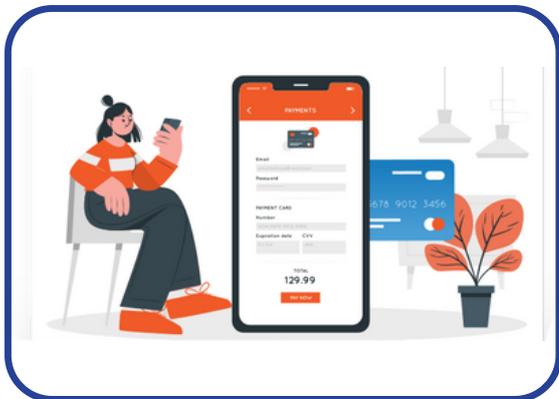

We have expanded the client interface to include mobile applications, so our services are no longer restricted to web-based apps alone. Obtain an iOS and Android version of your app.

Results-Driven Business Advisory

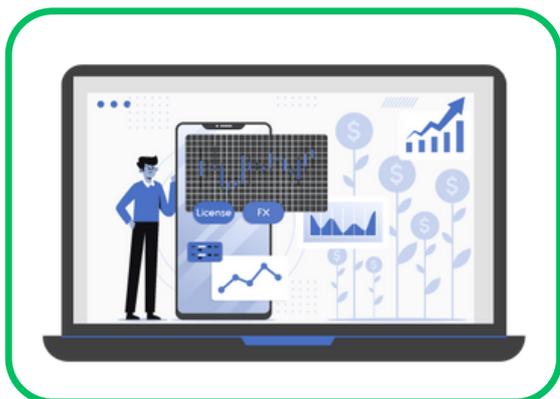

At 4xCRM, we take care of the legal requirements so you can launch your company with superior guidance.

Our Solutions

PSP & P2P Solutions

Easy API integration for customized pay-in/out solutions
Using access keys, gain access to pre-configured solutions.

Financial Licensing

Our goal is to assist you in obtaining the necessary licenses to operate an FX brokerage business.

Banking Solutions

Corporate brokerage firms can handle transactions and payments more smoothly with the support of the FX banking solution.
